

# Welcome to **PUPPER!**

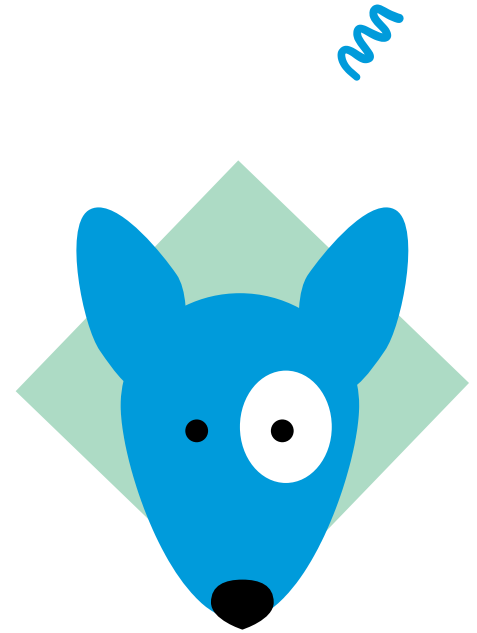

Daily Playgroup for your Doggy Best Friend

# Why We Exist

Our mission is simple - we think your pup deserves more than a 15 minute walk. Without proper exercise, they may develop long term health conditions. And without proper socialization, they may never get fully comfortable around other dogs. Your pup deserves to run and play and make new friends each day, and you deserve a cost and convenience that'll fit into your life. That's our mission!

# How Playgroups Work

- Your group leader will pick up your pup for playgroup (3-4 pups total) around the time of a typical lunch walk - we'll confirm exact time the day of. From there, the party heads to a local play area for an afternoon of fun!
- Exhausted from an afternoon of nonstop playing with friends, your pup will then be returned home at the end of the session a couple hours later! Photos and videos from the day will be posted on our Instagram later on for you to see.

# How to Book Days

## Where to Book?

Our website makes it simple to book a playgroup in seconds. We encourage you to book well in advance to ensure availability as spots are limited. Most dog pawrents prefer to book recurring days each week.

Once your account has been approved, you'll be able to book instantly via the below link!

## What's the Best Deal?

The best and easiest option for your pup is to book a recurring weekly day (or multiple recurring days - e.g. every Tue / Thu). It is the cheapest option and lets you set it and forget it - no need to remember to book each week!

**\$27 / day**

However, you also have the option of booking single days on an ad-hoc basis if that fits better into your life! Single day rates are:

**\$29 / day (with a 5 pack)**

**\$31 / day (without 5 pack)**

# Earn Free Days!

## Refer Your Pup's friend

We do our best to pair each pup with their besties for playgroup (*especially if we notice they play particularly well with certain pups*). However, if your pup already has friends in the city, we'd love to welcome them into the Pupper community!

For each new pup you refer (*email referral is great*), we'll give you **TWO FREE DAYS** of playgroup. No limits on number of referrals!

## Leave Us a Review

We always love to hear your feedback on how you feel about us!

After giving Pupper a try, if you are willing to leave us an honest review of your experience on Yelp or Google, we will gladly compensate you with

**ONE FREE DAY** of playgroup!
